This night would not have been possible without so many great supporters from our business community”, says GMCC CEO Carol O’Reilly. “We would like to thank, in particular, our presenting sponsor DP Murphy Hotels and Resorts and GMCC’s Platinum Sponsor, EY, as well as our community sponsors. Without their great support the work we do for our members at the Chamber would not be possible.”

This year’s People’s Choice Award, sponsored by Razor Creative, was won by Les Aliments Bonté Foods. There were 38 nominees in the running for this award and over 10,000 votes received.

“We are so excited about the public’s response to this award,” says O’Reilly. “It really shows they are connected to the local business community and wanting to get involved and recognize their local business owners for the amazing work that they do.”

There were 27 finalists in the running in the other 9 award categories. A panel of judges that represents various sectors of business in the tri-community area had the difficult task of reviewing all of the nominations and ultimately choosing the winners.

All the finalists and the winners of the 2015 Greater Moncton Chamber of Commerce Business Excellence Awards are the top performers in their field and each and every one of them deserves to be celebrated.
